Mayor's Message

At the request of Cache County Executive, Craig Butters, I am serving on the Solid Waste Advisory Board. At our last meeting we were updated on the operations of the solid waste organization.

The new location for solid waste is north of Clarkston and is titled North Valley Landfill. The bid for the construction of the site was awarded to Whitaker Construction for \$1,249,515 and the contract for road construction to the landfill was awarded to Staker Parsons for \$3,797,687.

The recycling operation is having some difficulty in sorting items sent to them and we were requested to advise our citizens that some waste items should not be included. Following are the top 7 most common contaminants and we request that you please do not put them in the blue can:

Plastic bags * Food Wrappers * Tissues

Styrofoam * Pizza boxes * Disposable dishware

Plastic that's not labeled #1 through #7

Thank you,

Jim Brackner

Tree Lighting

Monday, November 28th at 6pm in the Park

Dress warm and bring your singing voice to welcome in winter! What a fun event to enjoy hot chocolate, donuts, family and friends while singing around the tree and visiting with Mr. and Mrs. Santa Claus.

Pray for snow!

Parking Restrictions

Ready or not, the snow will be flying soon. Don't forget, it is unlawful to park any vehicle on any public street from November 15 - March 15 between the hours of 4:00 am and 12:00 noon. (RHC Code 10-14-8:E)

Parks and Rec Update

- ◆ The park restrooms will be closing as soon as the weather declines.
- ◆ **TENNIS LIGHTS INFO:** The lights will go on when the button is pushed (expect a small delay time). If the button is pushed before they go off, another hour will be added without delay. Once the lights go off, they won't turn back on until they've had time to cool down. The lights will automatically shut off at 10:00 pm.
- ◆ A big **THANK YOU** to Clayton, Cam and Steve for their hard work this summer in making our park so beautiful!

Dixie Wilson, Councilmember, Parks and Rec

Disabled American Veterans (DAV)

A group of veterans is starting a new DAV chapter in Cache Valley!

The DAV is the premier organization that helps more veterans with VA health care, disability claims and appeals than all other combined, free of charge. The DAV also provides a volunteer transportation network which transports veterans to and from the VA medical centers.

Please join our new chapter and help us reach those (5,000-8,000) veterans here in Cache Valley who need help and support.

In order to register this new chapter, we need at least 50 disabled veterans (who will be listed on the original charter document forever).

After the chapter is formed anyone who is already a DAV member from another chapter, may transfer to the new chapter.

Thank you,

Rick Fillmer (435-757-3109), richardfillmer@comcast.net.

For DAV van transportation to the Salt Lake VA hospital or Ogden Clinic contact 800-613-4012 X 2003 or 1027.

Business Licenses

If you are running a business out of your home, you need to apply for a license, which can be done anytime. The timeframe for renewals is Nov 1 through Dec 31.
