2018 is the 50 year anniversary of Special Olympics!

Cache Valley Law Enforcement will be hosting the Law Enforcement Torch Run for Special Olympics Utah in Logan on May 19, 2018. We would like to invite the mayor, or a representative, of each city in Cache Valley to come and join us as we help our Special Olympics Utah - USU Athletes carry their Flame of Hope through Cache Valley.

We do require all runners to buy and wear the 2018 Torch Run shirt, BUT you do not have to run to show your support! Everyone can buy a shirt and wear it proudly on May 19th to show their love for our USU Special Olympics Athletes.

Torch Run shirts are \$20 each with all proceeds going to Special Olympics Utah. Shirt Orders are due **MARCH 20th**, so don't wait, order yours today!

Feel free to spread the word and invite other community leaders, neighbors, friends, and family. Simply direct them to www.cashesheriff.org for more information.
